

study on multilingual families in Switzerland

We want to understand how parents experience their child's bilingualism and what motivates them to pass on several languages.

Participation criteria: be the parent of a bilingual child (2 languages or more) between 4 and 8 years old!

an online survey
to be completed :

- in Aug/Sept 2023 — 5 bilingual children's books raffled among participants
- in Jan/Feb 2024 — A "printable activity booklet" sent to all participants
- in June/July 2024 — A "Bilingual Child's Guide" sent to all participants
